

Join the EURO 33 Satellite Event/ State of the Art workshop for free
Saturday afternoon 29 JUNE 2-5 pm
Location: EURO Conference venue, Copenhagen Denmark

The EWG Ethics and OR organizes for the 31st time a Satellite Event/ State of the Art workshop with attendance for free.

We invite the chairs and their fellow colleagues of EWG groups to reflect on adjacent subjects such as decision support, societal complexity, sustainable development and developing countries, to discuss and give presentations. In this way we inform each other on recent developments and questions in our fields and as we may have to change, to discuss and to connect.

For presentation or joining the discussion please send you abstract to : DeTombe@nosmo.nl
